بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

The Prophet of Allāh (blessings of Allāh be upon him and his family) said:

“Jibrā'il came to me after Ṣalāt al-Zuhr accompanied by 70,000 Angels and said (to me), 'O' Muḥammad! Surely your Lord has conveyed His greetings to you and has granted you two gifts and He has not given either of these two gifts to any Prophet before you.' The Prophet replied, 'What are these two gifts?' Jibrā'il replied, 'The Witr Ṣalawāt which are three Rak'at (Ṣalāt al-Witr which is one Rak'at and Ṣalāt al-Shaf' which is two Rak'at) and the second gift which is the five daily Ṣalāt in Jamā'at.' I said to Jibrā'il, 'And what reward is there for my Ummah in the Ṣalāt al-Jamā'at?' Jibrā'il replied, 'O' Muḥammad! If there are **two people**, then Allāh will record the reward for each Rak'at is being equal to **150 Rak'at of Ṣalāt**; If there are **three people**, then Allāh will record the reward for each Rak'at is being equal to **600 Rak'at of Ṣalāt**; If there are **four people**, then Allāh will record the reward for each Rak'at is being equal to **1200 Rak'at of Ṣalāt**; If there are **five people**, then Allāh will record the reward for each Rak'at is being equal to **2400 Rak'at of Ṣalāt**; If there are **six people**, then Allāh will record the reward for each Rak'at is being equal to **4800 Rak'at of Ṣalāt**; If there are **seven people**, then Allāh will record the reward for each Rak'at is being equal to **9600 Rak'at of Ṣalāt**; If there are **eight people**, then Allāh will record the reward for each Rak'at is being equal to **19,200 Rak'at of Ṣalāt**; If there are **nine people**, then Allāh will record the reward for each Rak'at is being equal to **37,400 Rak'at of Ṣalāt**; If there are **ten people**, then Allāh will record the reward for each Rak'at is being equal to **72,800 Rak'at of Ṣalāt**. If there are more than ten people in the Jamā'at, then if all of the rivers in the Heavens and the Earth were to be changed into ink and all the trees were to be changed into pens and all of the Jinn and Mankind along with the Angels were to try to record the reward (for one Rak'at) they would not be able to record it. O' Muḥammad! The Takbīr that the believers perform with the Imām (of the Ṣalāt) is better than 60,000 Hajj and 'Umrah and better than the world and all that is contained within it 70,000 times over. The one Rak'at that the believers pray with the Imām is better than 100,000 dinār of charity given to the poor people. The Sajdah that the believers perform with the Imām in Jamā'at is better than freeing 1,000 slaves.'”

**Ponder upon this point:** If you were to pray just **one** 2 Rak'at Ṣalāt in Jamā'at with 10 people just **ONE TIME**, this would be equivalent to performing the Ṣalāt of 23½ years (17 Rak'at per day x 365 days in one year x 23½ years = ≈145,600)!!
