Kindly recite Sura E Fatiha for Marhumeen of all those who have worked towards making this small work possible.

This is a 'Meccan' sūrah.

The surah that admonishes the first recipients of the Quran, the Meccan tribe of Quraysh, to give thanks to the One God alone who had long bequeathed to them, in their desert surroundings, abundant provision and security. It takes its name from verse 1, which mentions the Quraysh, the tribe to which the Prophet Muḥammad (s.a.w.) belonged.

The Holy Prophet (s.a.w.) said that the one who recites this surah will get the reward of ten times the number of people performing *Tawaaf* and *I'tekaaf*.

The recitation of *Sūrat al-Fil* and *al-Quraysh* in the compulsory prayers carries great reward. If this surah is recited on food, its ill effects are removed. Those with heart conditions should recite this surah and then gently blow into some drinking water and drink it. If a poor person recites this surah before sunrise, Allah (s.w.t.) will make it easy for him to get his sustenance.
