The Supplication of the Giver of Refuge.

This magnificent supplication is reported from the Holy Prophet, peace be upon him and his Household. It was revealed to him while he was offering a prayer in Maqâm Ibrâhim (the Standing-place of Prophet Abraham). In his two books of al-Balad al-Amîn and al-Misbâh, al-Kaf`amî has mentioned this supplication and referred to its innumerable merits as a footnote. Among these merits is that if this supplication is said on 13th, 14th, and 15th nights of the holy month of Ramadân, sins will be forgiven even if they are as many as rain drops, leaves of trees, and sands in wastelands. It is advisably said for healing diseases, settling one’s debts, saving from poverty, relieving grief, and releasing from adversities:
