Abu Abdullah As-Sadiq (MGB) said, "Whenever you say these supplications, ask for what is the best near God and what is more eternal. This is one of the treasures of knowledge. Ask God for intercession with it, and hide it from the unwise and the hypocrites."

Supplications for the Invocation day as found in books on supplications:

The followings supplications, repentance, crying and asking have been reported on the authority of the Commander of the Faithful (MGB).

*"Allah. There is no God but He,-the Living, the Self-Subsisting, Eternal. No slumber can seize Him nor sleep. His are all things in the heavens and on earth. Who is there can intercede in His presence except as He permitteth? He knoweth what (appeareth to His creatures as) before or after or behind them. Nor shall they compass aught of His knowledge except as He willeth. His Throne doth extend over the heavens and the earth, and He feeleth no fatigue in guarding and preserving them for He is the Most High, the Supreme (in glory)."*<sup>1</sup> *"There is no God but He: That is the witness of Allah, His angels, and those endued with knowledge, standing firm on justice. There is no God but He, the Exalted in Power, the Wise."*<sup>2</sup>

*Say "O' God!. Lord of Power (and Rule), You give power to whom You please, and You strip off power from whom You please: You endue with honour whom You please, and You bring low whom You please: In Your hand is all good. Verily, over all things You have power. You cause the night to gain on the day, and You cause the day to gain on the night; You bring the Living out of the dead, and You bring the dead out of the Living; and You give sustenance to whom You please, without measure."*<sup>3</sup>

*"Had We sent down this Qur'an on a mountain, verily, You wouldst have seen it humble itself and cleave asunder for fear of Allah. Such are the similitudes which We propound to men, that they may reflect. Allah is He, than Whom there is no other god;- Who knows (all things) both secret and open; He, Most Compassionate, Most Merciful. Allah is He, than Whom there is no other god;- the Sovereign, the Holy One, the Source of Peace (and Perfection), the Guardian of Faith, the Preserver of Safety, the Exalted in Might, the Irresistible, the Supreme: Glory be to God!. (High is He) above the partners they attribute to Him. He is Allah, the Creator, the Evolver, the Bestower of Forms. To Him belong the Most Beautiful Names: whatever is in the heavens and on earth, doth declare His Praises and Glory: and He is the Exalted in Might, the Wise."*<sup>4</sup>
