Salawaat of Mahe Ramazan

Verily Allah and His angels send blessings on the Prophet. “O you who believe, send blessing on him and greet him with a worthy greeting”. Here I am to obey your command O Lord, to respond and to glorify You. O Allah send blessings on Muhammad and make Muhammad and his children happy as You blessed and made happy Ibrahim and the children of Ibrahim, verily You are worthy of praise and glory. O Allah surround Muhammad and the children of Muhammad with Your love and mercy as You loved and took care of Ibrahim and the children of Ibrahim, verily You are worthy of praise and glory.

O Allah let Muhammad and the children of Muhammad be in peace as You kept Nuh in Peace in the worlds. O Allah give grace to Muhammad and the children of Muhammad as You gave grace to Musa and Harun. Allah send blessings on Muhammad and on the children of Muhammad because through them You distinguished us. O Allah send blessings o Muhammad and the children of Muhammad because through them You showed us the right path.

O Allah send blessings on Muhammad and the children of Muhammad and call them to a praised position which the people in every age may find enviable. Peace be on Muhammad and o his children, at every sunrise and every sunset. Peace be on Muhammad and on his children, whenever eyes blink or flash. Peace be on Muhammad and on his children, whenever Peace is said or mentioned. Peace be on Muhammad and on his children, as often as the angles glorify Allah or sanctify Him. Peace be on Muhammad and on his children in the beginning, and peace be on Muhammad and his children in the end, and peace be on Muhammad and his children in this world and in the hereafter. O Allah, the Lord of the sacred city and
Salawaat of Mahe Ramazan

the Lord of the rukn (the corner of the holy Kab-ah where the black stone is lyings) and the maqam (the place in the holy Kab-ah where prophet Ibrahim used to pray), and the Lord of the lawful and the unlawful, convey our salam to Your prophet, Muhammad.

O Allah give Muhammad beauty and brilliance, elegance and blooming freshness, joy and satisfaction, honour and dignity, enviable status, means to approach (You), position, authority, distinction, highest rank, and exclusive rights to recommend (our cases) before You on the day of resurrection, a peculiar and singular privilege, shared by no other among Your creation, You bestowed on Muhammad. The good that You gave him had not been given to anyone, much more superior in number and power, countless, no other then You can comprehend.

O Allah send blessings on Muhammad and the children of Muhammad, more pleasant, more pure, more meaningful, more prospering, and more excellent than You ever blessed anyone from the beginning to the end, O the most merciful.

O Allah send blessings on Ali, the commander of the faithful, and be a friend of him who is his friend, be an opponent of him who is his opponent, and whose took part in acts of hostility against him in order to shed his blood may be severely punished.

O Allah send blessings o Fatimah, the daughter of You prophet, Muhammad (peace be on him and on his children), and curse those who displeased him by hurting her.

O Allah send blessings on Hasan and Husayn, the leaders of the Muslims, and be a friend of him who is their friend, be an opponent of him who is their opponent, and whose took part in acts of hostility against them in order to shed their blood may be severely punished.

O Allah send blessings on Ali son of Husayn, the leader of Muslims, be a friend of him who is his friend, be an opponent of him who is his opponent and whose did injustice to him may be severely punished.
O Allah send blessings on Muhammad son of Ali, the leader of the Muslims, and be a friend of him who is his friend, be an opponent of him who is his opponent and whose did injustice to him may be severely punished.

O Allah send blessings on Jafar son of Muhammad, the leader of the Muslims, and be a friend of him who is his friend, be an opponent of him who is his opponent, and whoso do injustice to him who is his opponent, and whoso took part in acts of hostility against him in order to shed his blood may be severely punished.

O Allah send blessings on Musa son of Jafar, the leader of the Muslims, and be a friend of him who is his friend, be an opponent of him who is his opponent, and whoso did injustice to him who is his opponent, and whoso took part in acts of hostility against him in order to shed his blood may be severely punished.

O Allah send blessings on Ali son of Musa, the leader of the Muslims, and be a friend of him who is his friend, be an opponent of him who is his opponent, and whoso did injustice to him may be severely punished.

O Allah send blessings on Muhammad son of Ali, the leader of the Muslims, and be a friend of him who is his friend, be a opponent of him who is his opponent, and whose did injustice to him may be severely punished.

O Allah send blessings on Ali son of Muhammad, the leader of the Muslims, and be a friend of him who is his friend, be an opponent of him who is his opponent, and whoso did injustice to him who is his opponent, and please send him back as soon as possible in this world. O Allah send blessings on the off-spring of Your Prophet.
Salawaat of Mahe Ramazan

Allah chose the successors of Your prophet from among his Ahl ul Bayt. O Allah firmly establish them in this world. O Allah let us follow, support and help them in the just cause, secretly and openly. O Allah claim retribution, requital, and return of their spilled blood on their behalf; and turn off from us and them and from all faithful men and women the rude power of evil (the tyrants the insolent imposters and the blood thirsty beasts) may inflict, (because) You alone can seize them by the fore lock and punish them, verily You decisively set a warning example and conclusively inflicting penalty.]

(Then recite the following) :

[O My means in my troubles! O my companion in my difficulties! O my guardian in my happiness! O the ultimate of my inclinations! You cover up my shortcomings, afford security in the event of crises and fearful disasters, therefore overlook my transgression. O the most merciful.

Then say

O Allah I call on You about the troubles which cannot be driven off by anyone, other than You, about the kindness which does not come forward except from You, about the anguish which does not pass away unless be put to flight by You, about the affection which does not grow intense unless You give reins to it; about the wants and needs which remains unfulfilled unless You satisfy them. O Allah, so as it was Your pleasure that You allowed me to make a request to treat me mercifully on account of Your glory, I repeat frequently, then O my Master it must surely have been Your intention that what I ask for would be given, what I hope for would be made available in large quantity, of better quality, regularly, and would be kept safe from that which I avoid and run from unto You. May be I do not deserve to get Your mercy, but certainly Your mercy has the right to reach me and promote my cause. May be I am not entitled to satisfaction, but Your generosity and kindness is able to encompass all things, therefore it will surely cover me also. O my Allah, O compassionate, I beseech You in the name of Your kindest disposition to

Then say (according to Sayed Ibne Taoos r.a.)

send blessings on Muhammad and on his children, and remove my hardships, dispel my sorrows and troubles, have mercy on me through Your mercy and keep me alive amidst Your liberal bounties. Verily You are the hearer of prayer, nigh, responsive.
