In the name of Allah the Beneficent the Merciful.

Praise is for Allah Who has connected my wishes with His forgiveness. And has spread my desires with His mercy. Has strengthened my back and the shoulders by His Generosity and Recognitions.

He has not left me without obligation and favours when I am involved in sins and disobedience. And was negligent in His obedience, and have not fulfilled the right of His fear and His chastisement.

Allah is Pure on whom the believers rely and are devoted to Him in all the condition. No one is independent of His grace. There is no god except Allah who is attentive to the one who is negligent about Him. Who accepts the repentance of the one who does sins excessively.

And He is displeased on the one who has lost hopes of His Vast Blessings and Mercy, and Allah is above all the things, Creator and Lord of all the things, the eradicator and destroyer of all the things and Allah is Great, the greatness which He deserves and it befits Him.

O Allah! I ask You like the one who has confessed his sins and like the one who has followed the evil desires and is now ashamed of it, and You are the one who can be depended upon for forgiveness, and the best for the sinners and evil doers because the sins have pushed in the dark valley of destruction, and is surrounded by errors and mistakes now the position is such that I cannot consider the sins as insignificant.

Now You are the only place of hope and in hardships and ease You are the one on whom I rely. You are the refuge for the fearful who are drowning, and the Merciful of all other merciful.
O my Lord! I am presenting myself to You attentively, because You are the climax for those who seek and the most Merciful to accept the prayers of the sinners.

O Allah! It is not difficult for You to forgive the sins and cure the sorrow, although You are well aware of the hidden things, You are the concealer of defects, and the one to ward off the difficulties, because You are powerful, Everlasting and Merciful and Who has worn the dress of Godhood and has accepted the divinity of oneness.

Now You are the pure from the status of nature, so nobody can explain You by Your attributes and the imagination of a man cannot comprehend You and the praise of people equal to the number of Your Bounties and Your thankfulness equal to the number of rotation of day and night.

O Allah all the goodness are in Your Power, and You are their Lord, the bestower of the cherished bounties. You are the climax of aims, for the sake of Your vast Mercy I seek nearness to You in which there is a place for everything.

O Allah! You are witnessing my status, aware of my heart, my affairs are not concealed from You, and You are more nearer to me than my jugular vein, so please accept my repentance by which I cannot repeat those actions again which displeases You, and grant me such a pardon after which I don't indulge in sins O the most Honourable of all the Honourables.

O my Lord, You have reformed the corrupted hearts and they have changed and You are the one to oblige the deviated ones and guide them by Your Guidance, and reinstate those deviated from the right path and change their wrong deeds and laxity grant them Your love, saved them from Your disobedience, bestowed on them the status of good doers, put them among the successful people, O Lord, O the most merciful of all the merciful, attach me together with those people.
O Allah I seek of You to send Blessings on Mohammad and the progeny of Mohammad and increase my sustenance the clean, pure and safe and grant me the initiative to do those actions which makes me nearer to You,

O Allah I present my helplessness as the one who is helpless and has accepted his deviation. O the one who forgives, I repent to You, O the bestower of abundance bounties, do not make me unsuccessful due to my low deeds, O the most High and Majestic, You have always dealt with the sinners by forgiveness, please conceal the evil deeds of this despised soul.

O Lord, I have directed my attention towards You, by the right which You have made obligatory on me, because I don't have any good deed with which I can present myself, the evils deeds are a barrier between me & the pious people, and as my deeds are not such that can make me the companions of Your Prophets so by the names which I have beseeched You, You make me turn towards them,

O my Lord, will You turn me unsuccessful whereas You are my hope and will You return me back empty handed?

In fact You are my initial hope. O He Who is present and famous for Generosity, the affairs of entire creation will ultimately return in Your presence.

Send blessings on Mohammad and his progeny and oblige me by making me self sufficient from those who are near, far, rivals, brothers, sisters, and include me among those whom Your mercy covers. Your signs are reserved for them, and Your favours are exclusively for them, You have created them pure, doers of good, pious and great. Make me reach Your prophet Mohammad Mustafa peace be on him and his progeny because he is on a station which is very nearer to You and O the Beneficent and the Merciful forgive me and the believers and their parents and their brothers and sisters.
