Peace be upon you; O full moon in gloom!

Peace be upon you; O tenderhearted and forbearing!

Peace be upon you; O steadfast and wise!

Peace be upon you; O head of weepers (of fear of God)!

Peace be upon you; O lantern for the believers!

Peace be upon you; O my master, Abū-Muḥammad!

I bear witness that you are verily the argument of Allah, the son of His argument, and the father of His arguments (against created beings)!

And you are verily
the son of His
 trustee and the
 father of His
 trustees!

And you acted
 sincerely in the
 worship of your
 Lord,

and hurried for
 seeking His
 pleasure,

and disappointed
 His enemies,

and delighted His
 intimate servants!

I bear witness that
 you worshipped
 Allah as He should
 be worshipped,

and fear Him as
 He should be
 feared,

and obeyed Him
 as He should be
 obeyed,

until death came
 upon you.

So, O my master,
 son of Allah's
 Messenger;
 be upon you the
 most favorable
greeting and peace  
and Allah's mercy  
and blessings.

Supplication of Sending Blessings to Imam Zayn al-'Abidin

O Allah; (please) send blessings upon 'Ali ibn al-Ḥusayn, the chief of worshippers, whom You have purely dedicated to Yourself and brought forth from him the Leaders of True Guidance who guide to the truth and judge with it. You have chosen him for Yourself, purified against filth, selected, and made guide and well-guided.

O Allah; send blessings upon
him;
the most excellent blessings that You have ever sent upon any
of Your Prophets' offspring so that these blessings raise him to that which delights his eye in this world and the Hereafter.
You are verily Almighty and Wise.
