The first form of ziyarah to be mentioned hereinafter is the famous ziyarah of `Ashura', which can be said at the tomb of Imam al-Husayn (A) and also from far distance. The following is the elaborate report of this form of ziyarah, as has been narrated by Shaykh Abu-Ja`far al-Tusi in his book of al-Misbah: Muhammad ibn Ismail ibn Buzaygh has reported on the authority of Salih ibn `Aqabah on the authority of his father on the authority of Imam Muhammad al-Baqir (A) who said, “Whoever visits al-Husayn ibn `Ali (A) on the tenth day of Muharram and remains there weeping, will meet Almighty Allah on the day of meeting Him having the reward of two thousand times of going on Hajj, two thousand times of going on `umrah, as well as the reward of one who has participated with the Holy Messenger of Allah and with the Holy Imams in two thousand campaigns.” The reporter asked, “May Allah accept me as ransom for you! What should one who lives in remote regions and cannot come to the tomb on that day do?”
The Imam (A) explained, “As for such people, they may come out to a wasteland or go up a high roof in their houses, wave towards Imam al-Husayn (A) with greeting, invoke earnestly curses on those who killed him, and then offer a two-unit prayer. They may do so before midday. They may then mourn and weep for al-Husayn (A) and order those who live with them in their houses to weep for him, unless they fear for themselves from certain individuals who live with them. They may hold mournful ceremonies in their houses and show grief for him. They may also console one another on this terrible occasion of Imam al-Husayn’s sufferings. If they do all that, I myself guarantee for them to grant the rewards that I have mentioned beforehand.”

The reporter asked, “May Allah accept me as ransom for you! Do you really promise them and guarantee for them to have that reward?” The Imam (A) answered, “Yes, I do. I do promise them and guarantee for them having that reward.”
If possible, you may not leave your house on that day to settle any of your needs, because this day is doomed and no need of a faithful believer is settled on it; and even if it is settled, it will be unblessed. Moreover, whatever is saved on this day will be unblessed and so will be his family members. If they do all that, they will have the reward of one thousand times of Hajj and one thousand times of `umrah as well as one thousand participations in campaigns with the Holy Messenger of Allah. They will also gain the reward of all misfortunes that have inflicted every prophet, prophet’s successor, veracious, and martyr who have died or been killed since Almighty Allah has created this world up to the Resurrection Hour.”

Salih ibn `Aqabah and Sayf ibn `Umayrah have reported `Alqamah ibn Muhammad al-Hadrami as saying that he, once, asked Imam al-Baqir (A), to teach him a prayer with which he would pray Almighty Allah on that day (of `Ashura’) when he would visit Imam
al-Husayn’s tomb and to teach him another supplicatory prayer with which he would pray Almighty Allah on that day when he would be unable to visit the tomb and then he would point to the tomb and send greetings to Imam al-Husayn (A) from his own house. The Imam thus said, “Listen, `Alqamah! After you point to Imam al-Husayn (A) with greetings and offer the two-unit prayer, you may utter the Takbir statement (i.e. *allahu-akbar*) and then say... (the forthcoming form of Ziyarah). If you do so, you will have said the prayer that is said by the angels who visit Imam al-Husayn (A). You will be also raised one hundred million ranks to join the rank of those who were martyred with him (i.e. Imam al-Husayn) and you will be included with their group. You will, moreover, be awarded the reward of the visiting of all Prophets and Messengers as well as the reward of all the visitors of Imam al-Husayn (A) since the day of his martyrdom. Peace of Allah be upon him and upon his household.
