The significance of each ayat of Suratul-Yasin

Five acts of Sawab

Hazrat Muhammad Mustafa (s.a.w.a.) said once to Hazrat Ali (a.s.): O Ali! Perform five actions before going to sleep:

- 1) Give 4000 dinar sadaqah.
- 2) Recite one Quran.
- 3) Give value price worth of Jannat.
- 4) Settlement/compromise between two fighting individuals.
- 5) Perform one Hajj.

Hazrat Ali (a.s.) asked: Ya Rasoolallah! How I will be able to perform these actions? Rasoole Khuda (s.a.w.a.) answered:

- 1) Recite four times Surah-e-Fateha. It is like giving 4000 dinar sadqah.
- 2) Recite 3 times Surah-e-Tawheed. It is worth reciting one complete Quran.
- 3) Recite 10 times salawat. It is worth giving the value/price of Jannat.
- 4) Recite 10 times 'Astaghferullah min kulle zambin wa atoobo elayhe'. It is worth ending conflict between two individuals.
- 5) Recite 4 times 'Subhaanallahe wal hamdo lillaahe wa laa elaaha illal laaho wal laaho akbar wa laa hawla wa laa quwwata illaa billaahil aliyyl azeem.' It is worth performing one Hajj.

Ayatal-Kursi

BENEFITS OF RECITING ĀYATAL-KURSI

- * Our Holy prophet (s.a.w.a.) has said: whoever recites the first 4 ayats of Surae Baqarah, then Ayatul Kursi and then the last 3 ayats of Surae Baqarah will not be inflicted with any kind of difficulty in his wealth or himself, Shaitaan will not come near him and he will not forget the Qur'an.
- * Imam Ali (a.s.) was told by our Holy Prophet (s.a.w.a.): Qur'an is a great word, and Surae Baqarah is the leader of the Qur'an and Ayatul Kursi is the leader of Surae Baqarah. In Ayatul Kursi there are 50 words and for each word there are 50 blessings and good in it.
- * One who recites Ayatul Kursi every morning will be in the protection, safety of Allah until the night.
- * If one ties this to ones wealth or children, they will be safe from Shaitaan.
- * Our Holy Prophet (s.a.w.a.) has said: These things increase ones memory; sweets,

meat of an animal near the neck, Adas (Lentils), cold bread and recitation of Ayatul Kursi.

- * For those of our dear ones who have passed away, recitation of Ayatul Kursi and giving it as Hadiya to them, gives them light (noor) in the grave.
- * Frequent recitation makes ones own death easy.
- * When leaving home, if one recites it once, the Almighty has one group of Angels to come and protect you. If recited twice, 2 groups of Angels are assigned to do this. If recited 3 times Allah tells the Angels not to worry as the Almighty himself takes care of him.
- * The Holy Prophet (s.a.w.a.) has said: If one recites Ayatul Kursi before going to sleep, Allah will send an Angel to come and look after you and protect you till the morning. His home, family and also neighbours will remain in safety until morning.
- * When one is alone in the home, recitation of Ayatul Kursi and asking Allah to help will

make you remain calm and you will not fear.

- * The Holy Prophet (s.a.w.a.) has said: When leaving home, if one recites Ayatul Kursi the Allah will send 70,000 Angels to do Istighfaar for him until he returns home, and upon his return Poverty will be removed from him.
- * If one recites this after doing Wuzu, the 5th Imam (a.s.) has said: Allah will give him a reward of 40 years of Ibadaat, his position will be raised in the Heavens 40 times (levels) and will marry him to 40 Horains.
- * One who recites it after every prayer, thier salaah will be accepted, they will remain in the safety of the Almighty and He will protect them.
- * Allah (s.w.t.) told Prophet Musa (a.s.): If one recites it after every salaah, the Almighty will make his heart a thankful one(Shakireen), will give him a reward of the prophets, and his deeds will be like those of the truthful(Siddiqeen) and nothing except death will stop will stop him from going into heaven.

- * To increase light or vision (noor) in the eyes, recite Surae Alhamd once, then Ayatul Kursi and then once the following dua:- "U-eedhu nora basaree binuril lahi alladhi la yutfaa", "I seek refuge for the light of my eyes by the light of Allah (s.w.t.), which does not become extinguished".

 Allah! There is no god save He, the ever-living
 the self-subsisting (by whom all subsist). Slumber
 does not seize Him, nor does sleep; to Him
 belongs whatever is in the heavens and
 whatever is in the earth. Who is he that can
 intercede with Him, except by His permission?
 He knows what is before them and what is
 behind them, while they cannot comprehend
 anything out of His knowledge save that which
 He wills. His throne (knowledge) extends over
 the heavens and the earth and the preservation
 of them does not tire Him; and He is the most
 high, the great.

لَا إِكْرَاهَ فِي الدِّينِ، قَدْ تَبَيَّنَ الرُّشْدُ مِنَ الْغَيِّ، فَمَنْ
يَكْفُرْ بِالطَّاغُوتِ وَيُؤْمِنْ بِاللَّهِ فَقَدِ اسْتَمْسَكَ بِالْعُرْوَةِ
الْوُثْقَى، لَأَنْفِصَامَ لَهَا، وَاللَّهُ سَبِيْعٌ عَلِيمٌ.

There is no compulsion in religion. Indeed truth
has been made distinct from error, therefore he
who disbelieves in false gods and believes in
Allah, indeed, has taken hold of the strongest
handhold which will not break off; and Allah is
hearing, knowing.

اللَّهُ وَلِيُّ الَّذِينَ آمَنُوا، يُخْرِجُهُم مِّنَ الظُّلُمَاتِ إِلَى
النُّورِ، وَ الَّذِينَ كَفَرُوا أَوْلِيَانَهُمُ الطَّاغُوتُ،

يُخْرِجُونَهُمْ مِّنَ النُّورِ إِلَى الظُّلُمَاتِ، أُولَئِكَ أَصْحَابُ
النَّارِ، هُمْ فِيهَا خَالِدُونَ.

Allah is the guardian of those who believe. He
brings them out of darkness into light. And those
who disbelieve, the false gods are their guardian
who takes them out of light into darkness: they
are the inmates of the fire, they shall abide
therein.
