It is recommended to visit the holy tomb of Imam al-Ḥusayn (a.s).

When he was asked about the merits of him who attends at the holy tomb of Imam al-Ḥusayn (a.s) at the fifteenth night of Ramaḍān, Imam

Ja`far al-Şādiq (a.s) said, “Congratulations be to him! At the fifteenth night of Ramaḍān, one who attends at the tomb of Imam al-Ḥusayn (a.s) and offers a ten Rak`ah prayer after the obligatory `Ishā' Prayer and other than the Night Prayer (*Şalāt al-Layl*), reciting in each Rak`ah Sūrah of *al-Fātiḥah* once and repeating Sūrah of *al-Tawḥīd* ten times, and then seeks Almighty Allah’s protection against Hellfire—if one does this, Almighty Allah will include him with those whom He releases from Hellfire and he will not die before he sees in dream angels conveying to him the good tidings of entering Paradise and securing him against Hellfire.”

Dua Mujeer

This magnificent supplication is reported from the Holy Prophet, peace be upon him and his Household. It was revealed to him while he was offering a prayer in *Maqām Ibrāhīm* (the Standing-place of Prophet Abraham). In his two books of *al-Balad al-Amīn* and *al-Miṣbāh*, al-Kaf amī has mentioned this supplication and referred to its innumerable merits as a footnote.

Among these merits is that if this supplication is said on **13th 14th & 15th nights of the Holy month of Ramaḍān**, sins will be forgiven even if they are as many as rain drops, leaves of trees, and sands in wastelands. It is advisably said for healing diseases, settling one's debts, saving from poverty, relieving grief, and releasing from adversities.
