

Dua Mujeer

This magnificent supplication is reported from the Holy Prophet, peace be upon him and his Household. It was revealed to him while he was offering a prayer in *Maqām Ibrāhīm* (the Standing-place of Prophet Abraham). In his two books of *al-Balad al-Amīn* and *al-Miṣbāh*, al-Kaf amī has mentioned this supplication and referred to its innumerable merits as a footnote.

Among these merits is that if this supplication is said on *13th 14th & 15th nights of the Holy month of Ramaḍān*, *sins will be forgiven even if they are as many as rain drops, leaves of trees, and sands in wastelands.*

It is advisably said for healing diseases, settling one's debts, saving from poverty, relieving grief, and releasing from adversities.
