Burial -'Witness' document of Belief & Good of deceased

From Mafatih al Jinan - Shaikh Abbas Qummi

Shaykh al-Tusi has advised that an inscription should be written down on a document as a Witness of the belief & knowing only good of the deceased .This document is made/signed by one witness & further attested by 40 Momins (who can sign despite their knowledge of faults of the deceased) .

This document is then folded enveloped & put with the palm-leaf stalk on the right side of the deceased. It is preferably written with camphor (i.e. water with which camphor is mixed) and non-aromatic aloe-wood, must be put on the dead person's forehead .It is said that HE will forgive the deceased for his faults if 40 momins testify in this way .

BEFORE signing the following dua is to be recited by the first witness:-

Before writing down this inscription, the writer is advised to say the following words:

In the Name of Allah; the All-beneficent, the All-merciful.

I bear witness that there is no god save Allah, One and Only Lord and having no associate with Him.

I also bear witness that Muḥammad is His servant and messenger,

May Allah bless him and his Household.

[I also bear witness that] Paradise is true, Hellfire is true,

the Hour [of Resurrection] is true and is coming; there is no doubt about it,

and Allah shall resurrect those who are in graves.
