## Merits of Ziyārah of Imam Husayn (A) for the night of Qadr

**According to Hadith, during Laylatul Qadr an angel proclaims from the Arsh (throne) on the Seventh sky that Allah has forgiven who have visited the grave of Imam Hussain (A). While performing Ziyarah of Imam Hussain (A), remind yourself that on this night, the souls of 124,000 Prophets (peace be upon them all) visit Imam, who is aware of our inner spiritual reality and is hurt and repulsed by our record of repeated evil deeds, indifference to God's commandments; thus, we should avoid disgracing ourselves in that great audience of Imam. Also, associate the themes in the ZIYARAH of: - Firm bond of love and obedience of God (SALAT). -Economic betterment of community (ZAKAT). -Overall mobilization of forces towards virtue (AMR BIL MA`RUF). -Overall cleansing of evil from society. -All-out war in all spheres of life to promote truth (JIHAD). -Tremendous endurance of all ensuing difficulties (SABR). -Complete distancing (LA`NAH) from all forms of injustice (DHULM) with destiny- shaping opportunity of this night and resolve to become on active player in improving the future in preparation for the REAPPEARANCE OF AL-MAHDI.**
