Long Dua full of insights after Eid Salat - Iqbal Aamal

[English PDF](#)

O my God! I ask You to bless me with the opportunity to fast during the month of Ramadhan, and give me good help regarding it to be able to finish it and reach the Festival Eid.

And favor me to worship You during it with Your good Help, and by easing the means to attain Your Success and Your good Help regarding it, and You treated me this way and let me know about the good way You dealt with me and Your noble fulfillment.

All praise belongs to You regarding the sustenance You provided for me and what You have bestowed on me.

O my God! This is the day whose worth You glorified, whose position You ennobled, and whose sanctity You honored and established it as a Festival for the Muslims.

You ordered Your Servants to go out on that day so that each person is granted the reward for what he has done and what he has sent ahead and be distinguished from those of Your Servants who had some shortcomings in performing the obligatory deeds – a reward that none but You has control or power over.

O my God! Now all the people who have done something for You whether they did something little or a lot – have gathered here on this day and in this location and they all seek the reward of what they did.

They demand from Your Nobility to add to the reward of their fasting and worshipping for You based on what You said, “Of Him seeks [its need] every creature in the heavens and on earth: every day in [new] Splendour doth He [shine]!”<sup>1</sup>

O my God! And I am Your bondsman – knowing what You have made incumbent upon me.

I am admitting to what You ordered me to do, and I am confessing to my shortcomings in deeds and my insufficient efforts.

I have not performed the obligatory deeds, and have abandoned what I had guaranteed to do myself.

O my God! Indeed I fasted but I have mixed it with various things either by mistake or intentionally –

such as forgetfulness, remembrance, things I said with my tongue, things I saw and lusted for, things I desired and liked, things my soul has aspired, things I have extended my hands towards, things I reached with my feet,

including what You have allowed but have considered them better not to do, and what You have forbidden by Your Admonishment.

O my God! I have mixed my fast with deeds which You have considered, little or much, small or large.

O my God! Now I have come out to You and have held a private talk with You confessing to the shortcomings of my deeds, and my shortcomings in what You have made incumbent to do.

I ask You to return to me with Forgiveness and Kindness and I have the best hope, the noblest aspirations and the most perfect desire for Your Pleasure.

O my God! Please bestow Your Blessings on Muhammad and his Progeny [ajtfs]. Please forgive all my shortcomings, all my faults, all my evil deeds, all my extravagances, all my acts of ignorance, all acts done on purpose, or all mistakes I made during this month and while fasting or during the obligatory deeds.

Please bestow this on me, grant it and overlook. O" the Ultimate desire of those who desire! O" the ultimate fulfillment of all needs!

Please let me go away from here having bestowed Your great Reward, and abundant Gifts even more than I expected or asked for.

O my God! O" God! O" God! O" God! O" God! O" God! There is no one like You.  
O my God! Please bestow Your Blessings on Muhammad and his Progeny [as].

Please forgive my sins – whether done on purpose or by mistake on this day and at this very hour.

O" Lord of all things and their Guardian! Please do such a thing for me and turn to me with Your Favor, Nobility, Kindness and Mercy – a sincere repentance such that I never become wretched afterwards.

O" God! O" God! O" God! O" God! O" God! O" God! O" God! To You belong the highest Examples, and the most Beautiful Names. I take refuge in You from doubt after certitude – and from disbelief after faith.

O my God! Please forgive me.

O my God! Please favor me! Please turn to me, and have Mercy on me.

O my God! Have mercy on my poverty! Have Mercy on my debasement! Have mercy on my helplessness!

O my God! Please have mercy on my taking heed!

O my God! Please do not disappoint me while I call upon You.

Do not punish me while I ask You to forgive me. for all my sins – whether committed knowingly or by mistake; whether I remember them or not.

O my God! You are the One who told Your Prophet [as], "But Allah was not going to send them a penalty whilst You wast amongst them; nor was He going to send it whilst they could ask for pardon." Al-Anfal 8:33.

O" my Lord! I ask You for forgiveness, and I repent to You. I ask for God"s forgiveness. I ask for God"s forgiveness

O my God! You are the One who told Your Prophet [as], "When My servants ask You concerning Me, I am indeed close [to them]: I listen to the prayer of every suppliant when he calleth on Me: Let them also, with a will, Listen to My call, and believe in Me: That they may walk on the right way." 2:186

O my God! I am calling on You as You have ordered me to do so.

Therefore, please respond to me as You have promised me since You never break Your promise."

O my God! Please bestow Your Blessings on Muhammad and his Progeny [as] – the content Trustees [as] – the Noblest of Your Blessings! Please bestow on them the noblest of Your Blessings. Please let us partake in all the good that You let Muhammad and his Progeny [as] partake in.

Please release me from all evil that You released them from in this world and the Hereafter. O" the Most Compassionate, Most Merciful.

O my God! Please bestow Your Blessings on Muhammad and his Progeny [as] and grant me release from the Hell-fire - such a release that shall never be violated afterwards without being burnt in the Fire, no debasement, fear, fright, horror, fear of the Fire, etc. Please honor me by letting me into Paradise with its best enjoyment, the noblest honors, and the best of Your Bestowals, Your Noblest Rewards and Gifts to its residents.

O my God! Please bestow Your Blessings on Muhammad and his Progeny [as] .

Please let me leave this session without having any sins left between me and You and between me and any of Your Creatures that You do not forgive,

no offenses that You do not eliminate, no slippage that You do not remove,

no disgrace that You do not pardon, no misdeeds that You do not release me from, no evil deeds that You do not forgive,

no troubles that You do not free me from, no debts that You do not reimburse,

no family that You do not provide for, no privation that You do not settle, no nakedness that You do not dress,

no illness that You do not cure, no pains that You do not provide treatment for, no griefs that You do not alleviate, no sadness that You do not remove,

no fear that You do not secure, no hardship that You do not ease, no weakness that You do not strengthen,

and no needs in this world and the Hereafter that You do not fulfill – with the noblest aspirations, best hopes and the most perfect greed for You have power over all things.

O my God! You said, "Call on Me; I will answer your [Prayer]." 40:60 You also said, "But ask Allah of His bounty. For Allah hath full knowledge of all things." 4:32. And said, "...a promise! Of truth, which was made to them [in this life]." 46:16

O my God! Indeed it was You who ordered me to pray to You, and You guided me to it. I asked You, and You promised me its fulfillment.  
I ask You to honor Your Promise since You are the Honest in speech! The Loyal to promises!

O my God! I am praying to You as You have ordered me to do hoping in what You promised.

Please bestow Your Blessings on Muhammad and his Progeny [as] and bestow on me all that You have promised me, all my hopes, all my demands, all my concerns, all my desires, all that I love. Please let all of this be a part of Your Majesty for being steadfast in obedience to You, in Your good Pleasure being considered as what You invited to – no little or more without any of it being used in any acts of Your disobedience or in opposing Your Decrees. O” True God. Lord of the Worlds!

O my God! Since You granted me success to pray to You and bestow Blessings on Muhammad and his Progeny [as], please give me success with Your Fulfillment of my prayers for indeed You have Power over all things.

The next para is the similar to the [Dua Man Taaba Tahaya](#)

O my God! Many people today try and get ready and prepare the grounds to turn to other people hopeful of getting bestowals, gifts and grants.

O” my Master! I decide, try and exert myself, prepare myself and smooth the way, and turn to You hoping to obtain Your Favors, Gifts, Benefits, and Grants.

Indeed I find myself celebrating one of the holy days of the nation of Muhammad [as].

Surely I have come to You with no good deeds to rely upon, and do not pay attention to the invitations extended by other people.

Instead I have submissively come to You ashamed of the evils done to my ownself.

I have no reasons or excuses.

I come to You hoping for Your abounding Pardon through which You have pardoned the offenders.

And You are the One who forgave their grave crimes while their long persistence in dreadful sin did not prevent You from returning toward them with Mercy and Forgiveness! O” He whose Mercy is All-Embracing and whose Nobility is great! O” the All-Mighty! O” the All-Mighty! O” the All-Mighty! O” the All-Generous! O” the All-Generous! O” the All-Generous! Please bestow Your Blessings on Muhammad and His Progeny [as] and turn to me with Your Mercy.

Please favor me with Your Pardon and Health! Please be kind to me with Your Kindness.

O” Lord! Please extend my means of livelihood.

Nothing but Your Patience can offset Your Wrath.

Nothing but Your Pardoning can offset Your Anger.

Nothing but Your Mercy can save me from Your Chastisement.

Nothing but my crying to You can save me from You.

Then please Bestow Your Blessings on Muhammad and His Progeny[as].

O my God! Please grant me relief with the Power with which You bring the dead back to life and revive barren land.

O my God! Please do not make me rush into deadly danger, in frustration until You accept my supplications and let me know about the fulfillment of my prayers.

Please let me taste the sweetness of healthiness until the time of my death.

Do not make me subject to the enemy”s ridicule, and do not let him overcome me.

O” Lord! If You improve my position, no one can lower my position! If You lower my position no one can raise my position! If You punish me, no one can have mercy on me.

If You honor me, no one can disgrace me and if You belittle me, no one can honor me.

If You condemn me no one can object to You about Your Servant or question You regarding his plight!

O my God! I know for sure there is no oppression or injustice in what You decree, and there is no rush in Your Punishment since indeed those who fear death rush and the weak need to oppress but You are Sublime, away from this, “Exalted and Great (beyond measure)!”17:43

O my God! Please Bestow Your Blessings on Muhammad and his Progeny [as].

However, You are Sublime, away from this, “Exalted and Great (beyond measure)!”17:43

---

O my God! Please Bestow Your Blessings on Muhammad and his Progeny [as].

Please do not let me be the target of calamities, or experience any of Your misfortunes, but give me a chance, relieve me, overlook my slippage, have mercy on my submissiveness, and do not subject me to one calamity after another since You see my weakness, my little planning and my submissiveness to You.

I take refuge in You today, my God, from Your Wrath so bless Muhammad and his Progeny [as] and give me refuge! I seek sanctuary in You from Your Displeasure so bless Muhammad and his Progeny [as], and give me sanctuary! I ask You for mercy, so bless Muhammad and his Progeny [as] and have mercy upon me! I seek guidance from You, so bless Muhammad and his Progeny [as] and guide me! I seek help from

You, so bless Muhammad and his Progeny (as) and help me! I seek sufficiency from You, so bless Muhammad and his Progeny (as) and suffice me! I seek provision from You, so bless Muhammad and his Progeny (as) and provide for me! I ask You to protect me from sin during the rest of my lifetime, and bestow Your Blessings on Muhammad and his Progeny (as) and protect me.

I pray for forgiveness for my past sins, so bless Muhammad and his Progeny (as) and forgive me for I will not return to anything You dislike from me, if You will!

O" Lord! O" Giver! O" Bestower! O" Lord of Majesty, Bounty and Honor! Please bestow Your Blessings on Muhammad and his Progeny (as) and fulfill all that I ask You for, and seek from You, and am inclined to.

Please Will it, Destine it, Decree it and Sign it.

Give me good in what You Decree, and Favor me with it, make me happy with what You bestow on me, and give me more of Your Bounty and the plenty of what is with You, for You are Boundless, Generous! And link that to the good and the bliss of the next world.

O" the Most Compassionate, Most Merciful.

True God! O" Lord of the worlds.

O my God! Please bestow Your Blessings on Muhammad and his Progeny (as).

Give them victory – an easy one, and grant them authority from Your Own Presence to help them.

O my God! Please express Your Religion, and the way of life of Your Prophet (as) through them such that no just issue is kept concealed from any human being.

O my God! I am inclined to You in the Noble Government by which You shall honor Islam and its followers, and debase hypocrisy and its adherents.

Please include us among those who invite the people to Your Obedience, and lead them to Your Path, and give us the good of this world and the Hereafter.

O my God! Please acquaint us with the rights that we are not acquainted with and let us attain what we have failed to attain!

O my God! Please fulfill our prayers. Let us be of those who remember and benefit from it.

O my God! Indeed I find myself celebrating one of the holy days of the nation of Muhammad (as) and trust no one but You. Surely I have come to You with no good deeds to rely upon, but I do not pay attention to the invitations extended by other people.

O my God! Please bless our holy day for us as You guided us towards it and provided us sustenance from it, and helped us with.

O my God! Please accept whatever we performed during it from us including obligatory deeds which we performed, the traditions that we adhered to, the recommended prayers we said, the voluntarily deeds performed with Your Permission, and what would bring us close to You: what would get us engaged in His Obedience, the well-being granted to us by Him, and the acts of servitude.

O my God! Please accept all of this from us as pure and sufficient. O" the Most Compassionate, Most Merciful.

"Our Lord!" (they say), "Let not our hearts deviate now after You have guided us..."<sup>1</sup>

Do not debase us after You have honored us. Do not let us deviate after giving us success.

Do not dishonor us after You have honored us! Do not make us needy after You have made us rich.

و

Please do not take away what You have already Bestowed upon us. Do not deprive us after You have blessed us with sustenance.

Do not change any of Your Bounties for us or any of Your Favors to us for anything we may have done since it is a part of Your Benevolence, Pardon and Generosity to forgive our sins by Your Mercy.

O" "There is no God but You"! Please liberate our necks from the Hell-fire by "There is no God but You!" I ask You by Your Noble Face

If You are pleased with me in this month, please increase Your Level of being pleased such that You will never get angry with me afterwards.

And if You are not pleased with me - I take refuge in You from this being the case – right now get pleased with me such that You never become displeased with me afterwards.

Please have mercy on me such that You never punish me afterwards.

And make me prosperous on this night – a prosperity that will never turn into wretchedness afterwards. And make me rich such that it will never turn into poverty afterwards.

And let Your noblest reward be for me today by granting me release from the Hell-fire. And grant me from Paradise what is deserving of You.

If I get to see the Night of Destiny, put off my death until next year so that I may see it next year with ease and well-being for me provided by You. O" the Most Compassionate, Most Merciful.

Please do not make this the last month of Ramadhan in our lifetime.

And bestow on all the believing men and women what I asked for myself by Your Mercy! O" the Most Compassionate, Most Merciful.

What God wills happens! There is no Change or Power except with God.

Surely, God is Sufficient for us! And in Him we trust! And may God bestow blessings on His Best Creatures – the Prophet Muhammad and his Progeny (as) and may His peace be on them plentifully.

O my God! You see everything but nothing can see You.

You are in the heavenly heights! The One who splits grains and seeds! He knows the secrets and hidden thoughts.

O" Lord of the worlds! All praise belongs to You.

Praise belongs to You in the highest! Praise belongs to You in darkness and light!

Praise belongs to You in shade and heat.

Praise belongs to You in the mornings and in the evenings.

Do not turn us back.
